## **Welcome to the YMCA!**

We are so pleased that you have chosen the Tri-Town YMCA Before and/or After School Program for your child. We welcome you and your family and we look forward to providing an experience that is safe, fun and educational. Collectively, YMCAs are the country's largest provider of child care and are committed to developing and operating the highest quality child care programs possible.

In partnership with local school systems, the YMCA school age enrichment program supplements the school day with a broad curriculum designed to help kids grow physically, mentally and spiritually, while emphasizing and modeling character development values such as caring, honesty, respect, and responsibility.

We believe that parents are the most significant adults in the life of a child and we wish to act in partnership with you to provide the best possible care for your child. Your feedback is important to us and we invite and encourage you to talk with our program site staff, program director, or executive director whenever you have a comment, question or idea.

Please take some time to familiarize yourself with the information in this Handbook. It will provide you with helpful and necessary information regarding policies, practices and procedures related to our YMCA Before and After School programs. Familiarity with this Handbook will assist you, your child and our YMCA staff in gaining the greatest benefit possible for the program.

Thank you again for joining our program, we look forward to serving your family!

To provide quality care for children in a safe, caring environment where all children have a sense of belonging.

To support and strengthen families, focusing on:

- Improving communication among family members.
- Increasing their ability to work and play together.
- Helping families share their values and good character.
- Increasing community awareness.

To help children develop to their fullest potential, focusing on:

- Self-esteem
- Relationships with peers
- Character development
- Academic enrichment
- Physical development

To deliver our program in a positive YMCA environment of safety, support, and care, focusing on:

- Creating an atmosphere that provides care and understanding.
- Keeping all children safe and happy.
- Conducting the program in accordance with YMCA operating principles.

## Getting Started

Tri-Town YMCA works with the school offices directly to communicate which children are attending our programs. It often helps to communicate this to your child's teacher as well but it is not necessary. The teachers guide children to the correct location after school and our teachers are there to greet them!

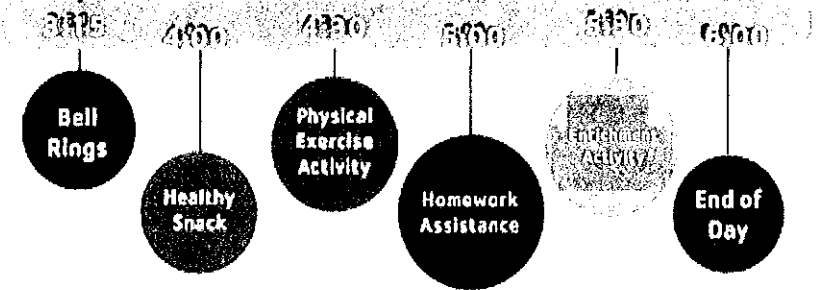

## District 44 Kindergarteners

There are half days for district 44 kindergarteners the first week of school. Tri-Town YMCA does not have a program to accommodate. Please make other arrangements for these days, and you will not be charged until the following week.

## After School Curriculum

- Arts and Crafts: 3 Times Per Week
- Character Development: Daily
- Physical Fitness: 30 Minutes Daily
- Homework Support: Daily
- Reading Component: Daily
- Science, Technology, Engineering, and Math: 2-3 Times Per Week
- Service Learning: At Least Once Per Semester
- Social Competence and Conflict Resolution: Daily

## Sample afternoon (times may vary by school)

## Before School Curriculum

Children will have a mixture of free time and structured time prior to the start of school.

- Arts and Crafts: 1 Times Per Week
- Character Development: Daily
- Reading Component: 1 Times Per Week
- Social Competence and Conflict Resolution: Daily
- Free Play: 3 Times Per Week—OR "Student Choice"

Our curriculum will help children develop, clarify and express their character. An important factor in doing this is to establish a supportive environment in which all children can participate in activities that build self-esteem, encourage friendships and teach group cooperation. Emphasis is put on learning to take turns, showing good sportsmanship, encouraging each other, being part of a team, and respect for staff and other children.

Individual activities are available as well, and children are encouraged to use their imagination in their play. Blank paper, jump ropes, hula-hoops, building blocks, and craft supplies are always on hand and great for individual, creative play.

We provide opportunities for moderate and vigorous physical activity for at least 30 minutes per day during after school programs. Whenever possible, active play will take place outdoors. We use the same guidelines as the school district in regards to the temperature.

## Program Policies

- ⇒ Children must always remain in view of staff, our rule; "If you can't see us, we can't see you."
- ⇒ Permission must be given by staff to leave the room for any reason. Children in our program need to be toilet independent.

## **Our Commitment To Healthy Living**

As an organization, the YMCA has three focus areas. We are for youth development, for healthy living, and for social responsibility. We constantly strive to be leaders in these three areas. As part of our Healthy Living initiative, we have expanded our longtime commitment to youth by adopting a set of standards, called the Healthy Eating and Physical Activity Standards, (HEPA). These standards build a healthier future for our nation's children by providing environments rich in opportunities for healthy eating and physical activity. **We will:**

1. For our after school programs, we will offer at least 30 minutes of physical activity each day. Whenever possible, active play will be outdoors. We use the same guidelines as the districts in regards to temperature. For our full day programs, we will offer at least 60 minutes of physical activity.
2. Y staff will model active lifestyles.
3. Designate water as the primary beverage during snack times and offer fruits or vegetables as snack options at every snack.
4. Have children serve themselves "family style" during meal times. All grains are whole grains, food is free of sugar as one of the first three ingredients, and no fried foods will be served. If a parent is sending a snack with their child, we ask that it follow our nutrition guidelines.
5. Y staff will model healthy eating behaviors at all times.
6. Eliminate screen time, with the exception of doing homework.

## **Birthday/Celebration Treats Policy**

Please be aware that the YMCA follows the same policy as the school districts regarding the children bringing "birthday/celebration treats" to the program to be distributed. Therefore, the YMCA does not allow any outside food or drinks to be distributed to the children in the program on such occasions. The staff at each Y's Kids site is encouraged to organize special activities to recognize a child's birthday or celebration event.

## **Healthy, Happy, Safe!**

- ◇ YOUTH HYDRATION is critical! It is encouraged to send your child with a refillable water bottle each day. Sugary drinks (soda) are not allowed at the YMCA. No more than 8 grams of added sugar per serving.
- ◇ A current registration form with emergency and medical treatment information and authorized pick up will be kept on file for each child. Please let us know if any changes are made to this information.
- ◇ It is in the best interest of your child and the other children if you keep your child at home when he or she is ill to avoid the spread of contagious diseases.
- ◇ The most important concept of the YMCA's approach to school age care is the central role of the parents and families. Y's Kids will serve parents as a support system for the family, not as a substitute. Parents, please talk to staff about your children and inform them of any difficulties they are having in school or at home.
- ◇ If your child is having problems at school, this may affect his/her behavior at Y's Kids. Our staff is concerned and would like to work as a team with you and your child.

## **Parent Notification of an Injury or Illness**

If a child becomes ill while at program, the parent will be called immediately to pick up the child. Parents/Guardians will be notified regarding contagious illnesses. A parent must sign the Illness Report to acknowledge the child's contagious illness.

Please note Tri-Town YMCA staff will notify a parent/guardian listed on the child's health form for all injuries except minor cuts, bumps, and scrapes. Please make sure to contact the office with any changes to emergency contacts, phone numbers, and your child's medical history!

## Drop Off/Pick Up Instructions

When dropping children off in the before school programs or picking them after school, all authorized pickups must come into the program to **sign in or sign out**. A photo ID will be required to pick up a child from our program.

Please use the YMCA door listed to pick up your child. Ring the Y door bell, and a Y teacher will greet you. If the Y program is outside or in a different location, a sign will be posted above the bell.

If the person under the influence insists on taking the child, the Y staff will contact the police immediately.

## Absences

*The school does not notify the YMCA of your child's absence.* The YMCA MUST be called by Noon if your child will not be attending the after school program. The YMCA will notify staff of your child's absence. If staff is expecting your child and they do not come to the program, it is a safety concern. Parents will be called to find out why the child is not at Y's Kids. Continued disregard of this policy may result in the need to make other arrangements for your child.

If a child needs to stay in the class to help the teacher, have scouts or a club meeting, assigned permission slip from parents is required, including allowing a child to stay with their teacher to help or finish homework.

## Late Pick Up

If children remain past closing time (6:00 PM), a \$10.00 every 15 minutes per child late fee will be charged.
