

Y'S KIDS AFTER SCHOOL ENRICHMENT PROGRAM

For the 2017/2018 school year, the Tri-Town YMCA will be offering an on-site program located at North School!

As a leader in youth development, we understand the importance of providing children with a balance of academically rich activities as well as an enhanced focus on overall physical well-being. We work side-by-side with industry experts, and your district to design experiences that help your child learn, grow and thrive.

Why Tri-Town YMCA After School?

More Physical Activity

Our after school care program includes at least 30 minutes of outdoor or indoor physical activity and movement a day.

YMCA After School Staff

Our staff is carefully selected and receives over 30 hours of training, from child development to the importance of being a positive role model. All staff are First Aid and CPR AED certified.

We Partner With Schools

Our program is aligned with the Common Core Curriculum and includes fun, exciting ways to apply what's learned in the classroom. Our Y's Kids enjoy hands-on enrichment activities that are presented through learning zones such as Arts & Humanities; Health, Wellness & Fitness; Homework; Literacy and STEM (Science, Technology, Engineering & Mathematics). The Y is committed to raising a healthier generation: mind, body & spirit. Y After School encourages children to complete their homework and our staff are always available to assist.

PROGRAM PRICING

Payments are scheduled weekly beginning the Sunday before the first day of school. This is available on an auto-pay basis via credit card or deduction from your bank account. You may also log in to the Y registration portal via the Tri-Town YMCA website to make a payment on your account. Payments will not be deducted during extended holiday breaks (Thanksgiving, Winter, Spring). Fee adjustments cannot be made for absences or personal vacations. Payments are not accepted at the school sites.

To secure your child's spot in our program, a \$35 registration fee is required.
