Tri-Town YMCA currently has openings in popular Senior Citizen program, the "Sunshine Callers". The Sunshine Callers program volunteers telephone senior citizens that reside in Lombard, Villa Park and Oakbrook Terrace, and live alone or are homebound and would ordinarily not have daily contact with the outside world. Volunteers call every weekday morning with a cheery "Hello, how are you doing" to help comfort and interact with older adults. This service is free to Lombard, Villa Park and Oakbrook Terrace seniors. We are currently seeking one or more individuals to call approximately 3-6 seniors on Mondays and/or Fridays throughout the years.
