Dear Friend of Tri-Town YMCA,

Thanks to the support of people like you, we are truly a community helping each other, regardless of personal and financial circumstance, to raise children who can realize their potential as healthy, confident, connected and secure adults.

Please consider sponsorship of our signature events which are attended by more than 100 community members.

Your support will make a meaningful, enduring impact right in your own neighborhood. The proceeds from our signature events, the **Tri-Town Golf Classic** and the **Tri-Town Toast**, will support all of the Y's community-strengthening areas of Youth Development, Healthy Living, and Social Responsibility:

- All youth regardless of income or circumstances can have the opportunity to participate in a positive environment during before- and after-school hours and importantly all summer long.
- Youth are taught life skills and traditional values.
- Youth are engaged in healthy lifestyles and are exposed to values of fair play and consideration for others.
- Youth are less likely to turn to high-risk behavior.
- Families are brought closer together through Y Princesses and Guides programs & other special events.
- Subsidized fitness programs keep seniors active, mobile, and socially connected. Sunshine wellness calls to seniors who are homebound or living alone restore wholeness and connection to the community.
- Community leadership and support in the area of healthy living and prevention of weight-related illnesses.

This year Tri-Town YMCA celebrates its **48th year** of providing services to our community. We hope this is a year you partner with Tri-Town YMCA. We have included an outline of opportunities to do so. Tri-Town YMCA is a 501(c)(3) nonprofit organization and your contribution is tax deductible to the fullest extent of the law. If you have any questions, feel free to contact Joanne Mitrenga at 630-629-9622 or jmitrenga@tritownymca.org.
